The Philosophy of Quiet Focus

Simplicity is not the absence of clutter, that is a consequence of simplicity.
Simplicity is somehow essentially describing the purpose and place of an object,
and offering a profound sense of ease in using it.

This PDF Reader was crafted with three core tenets:
1. Invisible Interface: Controls stay quiet until you need them.
2. High-DPI Precision: Razor-sharp vector rendering with sub-pixel clarity.
3. Reading Comfort: Ergonomic warm paper and obsidian themes for long sessions.

Drag and drop your own PDF here at any time, or explore the navigation options above.

Typography, Grids, and Optical Balance

Good design is as little design as possible.
Less, but better - because it concentrates on the essential aspects,
and the products are not burdened with non-essentials.

- Continuous Scroll & Two-Page Spread modes for any document format.
- Interactive table of contents and live page thumbnails.
- Inverted Night Mode with soft luminance preserving your eyesight.
- Instant search with match counting and smooth auto-scroll jumping.

Effortless Navigation via Keyboard

Master your reading flow with instant keyboard commands:

[J / K]	Scroll down / up or Next / Prev page
[Left / Right]	Page jump in presentation mode
[[ ]	Toggle sidebar (Thumbnails / Bookmarks)
[+ / - / 0]	Zoom in / Zoom out / Reset 100%
[W / P]	Fit Width / Fit Page
[D]	Cycle Themes: Studio -> Warm -> Night
[F]	Toggle Zen Fullscreen Mode
[Ctrl + F]	Open instant in-document text search

Enjoy a serene, distraction-free reading sanctuary.
